NSMEE trip- Ruddington

Dear Parents/Carers

On Wednesday 19th March, all pupils from Easthorpe School will be going on a trip to the Nottingham Society of Model & Experimental Engineers (NSMEE), located at the Great Central Railway in Ruddington next to the Country Park.

This links to our 'My travel' learning as part of our Life Skills curriculum and all pupils will have the opportunity to take a ride on the miniature trains.

The trip will take place during school hours, and pupils will be walking to and from the location. School meals will still be provided as the trip will not be running over lunch time. Children **are** required to wear school uniform. Please dress pupils according to the weather that day & with appropriate footwear.

The cost of trip is free but if you would like to make a voluntary contribution to NSMEE, please send your child with cash in an envelope ready to hand to the class teacher. Please can you complete the attached consent form to give your child permission to attend.

If you have any questions or concerns then please contact the school office or your child's class teacher.

Many thanks,

Kelly Fryer
School Office Manager
